“For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope.”

Jeremiah 29:11

## To Boldly Go

My paternal grandfather was a mechanic and a farmer. He loved to talk (and talk) about the greatest invention of his era, the internal combustion engine. Born before the invention of the automobile in the U.S., Grandpa lived to see people walk on the moon. He would be dumbfounded by Zoom, although its name sounds kind of like a car.

Many of us are more than a little surprised by all of the changes of recent years as well, especially those in our church life. And now First Baptist Church faces another big change, albeit an exciting one. Who or what are we beyond our physical structure, our spot on the map?

I suggest that we have figured some of this out already. After all, we haven't been standing still in the last couple of years. Take a look at our website, all of it, at our active presence in the community (primarily online!). And we have remained involved in each other's lives – although we yearn for more “in person” experiences. Thank goodness those seem to be coming!

Like many of you, I enjoy history and tradition and value the past. But my subconscious is working on me. Recently, I had a dream about riding in a car up a snowy mountain with Jeanne Petrosky as the road disappeared behind us. I believe, and I know you do, too, that God will show us the way as we continue to be open to what is ahead.

We are honoring the commitment of the hundreds of members, friends, and leaders of FBC through many years who responded with faith and imagination to their moment in time. Now it's our turn.

With hope,

## A Problem in Pottstown

There is a problem in Pottstown; well, more than one, of course, but this one has to do with the Borough Council and people who are experiencing housing insecurity. Currently, Pottstown's only shelter for male residents of the Borough who have no place to live is Al's Heart Warming Center, open Nov-April. As this season comes to a close, the Borough has not approved the reopening of the Center for next year and has indicated that it does not wish to do so. That would leave approximately 40 Pottstown men without a place to go next season when the weather turns cold.

On Feb 17<sup>th</sup>, the Ministry Coordination Team voted unanimously to support a letter and action by the Pottstown Ministerium to advocate for the reopening of the shelter to accommodate those who are unhoused in Pottstown. We are asking any who are able to join us in-person (masked) at the Borough Council Meeting on Tuesday, March 15<sup>th</sup> at 7pm to support Al's Heart Warming Center's request to be allowed to continue their ministry.

If you are interested in more details, please contact Myra Forrest. If you have an FBC shirt, please wear it to show our elected officials that our church cares about the unhoused in Pottstown.

## A Thank-You from Rev. Eleazar and Speciose Ziherambere

"Dear Pastor, and my sister in Christ, with this text, I want to inform you that we have received today, the check for the total ticket cost for Speciose when she went back to Africa. We can't have enough words to express our appreciation for your generosity. May our good God bless you, and the entire FBC family."
